Subject: Request for Meeting with Ms. Idsal

Flag: Flag for follow up

Dear Mr. Wang:

On behalf of Denka Performance Elastomer LLC (Denka), I would like to request the opportunity for a small number of Denka representatives to meet with Ms. Anne Idsal, Regional Administrator. As you know, Denka has been involved in numerous discussions with EPA concerning air regulatory matters related to its LaPlace, Louisiana, Neoprene facility. We are requesting a short, non-substantive meeting for goodwill purposes and to establish a face-to-face relationship. Denka's representatives would include Mr. Koki Tabuchi, Denka's President and CEO, Mr. Nao Kawamura, Vice President, a Denka technical representative (Mr. Jorge Lavastida, Plant Manager, or Mr. Patrick Walsh, SHE Manager), and a representative from Denka's public affairs consultant. Unless EPA Region 6 feels it would be appropriate, we would not envision having counsel present for the meeting.

The dates that would work for us are from **January 22 to 29** and from **February 16 to 28**. Please let us know if it would be convenient to meet during any of these dates. Thank you for your attention to this.
